Homecoming 1971-72

One of the most exciting aspects of student life this year was the traditional homecoming celebration. The Black Knights were slated to play the West Greene Buffaloes in three games for the first home games of the season.

School that day was sparked by the finishing touches to be put on the decorations done by the Pep Club. School spirit ran high during the pep rally and all through the day students waited anxiously for festivities.

The homecoming highlight was, of course, the crowning of the Homecoming Queen for this year. Two contestants were chosen from every class and the varsity ball players served as escorts.

Miss Amy Skidmore, a junior class representative, was chosen as the Queen at the varsity pre-game ceremonies. Chosen as the Black Knight Princess was first runner-up Miss Sharon Lamb and as the Black and Gold Princess, Miss Peggy Looney.

The Black Knights chalked-up two wins and one loss to top off the evening.

Here, newly-Crowned Queen Amy Skidmore and her escort senior forward Steve Wells are congratulated by last year's queen Miss Debbie Ricker.

YOUR RETIREMENT DECISION- Have you considered variable annuities?

The basic objective of ISL's new Variable Annuity plan is to provide retirement payments which will tend to conform more closely to changes in the cost of living than fixed dollar annuities.

In seeking to accomplish this objective, the variable annuity provides retirement payments that will vary with the investment performance of assets held in a diversified portfolio of securities.
