In Memoriam

Roger Peters

"To every thing there is a season
and a time to every purpose under heaven
a time to be born
and a time to die
a time to weep
and a time to laugh
a time to break down
and a time to build up
a time to keep silent
and a time to speak
a time to love
and a time to hate
a time of war
and a time of peace."

Homecoming

1973-74

Homecoming night was the highlight of one of the busiest weeks of the school year. Student Government was in charge of Spirit Week activities. Each day was enlivened by a spirit activity followed by a pep rally.

Ellen Laws, senior class representative, was crowned queen. Sherry Wallin, also a senior, was first runner-up. JoAnn Greene was second runner-up.

Wins by both the B-team boys and girls' varsity added to the excitement, dulled only by the defeat of the boys' varsity.

OUR CREED IS-

We are the Future Homemakers of America.
 We face the future with warm courage
 And high hope.

For we have the clear consciousness of seeking
 Old and precious values.
 For we are the builders of homes,
 Homes for America's future,
 Homes where living will be the expression of everything
 That is good and fair,
 Homes where truth and love and security and faith
 Will be realities, not dreams.

We are the Future Homemakers of America.
 We face the future with warm courage
 And high hope.

C-D Club

We must always have old memories
and young hopes.

Moments To Remember

Memories are heartbeats . . .
Sounding through the years . . .
Echoes never fading . . .
Of our smiles and tears . . .
Moments that are captured . . .
Sometimes unaware . . .
Pictured in an album . . .
Or a lock of hair . . .

Images that linger . . .
Deep within the mind . . .
Bit of verse we cherished . . .
Once upon a time . . .
Through the musty hallways . . .
Of the days we knew . . .
Ever come the vision . . .
Beautiful and true . . .

Memories are roses . . .
Blooming ever more . . .
Full of fragrant sweetness . . .
Never known before . . .
Life must have a meaning . . .
Goals for which to strive . . .
Memories are lights that burn . . .
To keep the heart alive.
