Spirit week was filled with exciting events as preparations were made for the Homecoming Game on Friday, Jan. 6. Special events were planned for each day. These included Chivalry Day, Golden Oldie Day, Little Kiddie Day, and Black and Gold Day.

Despite the disqualification from the tricycle race for greasing the seniors' tricycle tires, the juniors still managed to capture the Spirit Prize.

The week's festivities were climaxed by the crowning of the 1978 Homecoming Queen, Miss Carolyn Hood. First runner-up was Judy Davis, and a tie took place for second runner-up between Sherry Shelton and Nancy Miller.

The victory of the Black Knights over Rutledge made the Homecoming Week a complete success.

SPORTS

The Cheerleaders set the pace for the Black Knights this year. They added zip to the pep rallies and the games. Some of the qualities by which cheerleaders are chosen are leadership, loyalty, zeal, and dependability, as well as cheerleading ability. We think this year's cheerleaders were well chosen. Our captain was Sandra Gammons and the co-captain was Lisa Moyer.

Building stunts turned out to be a disaster sometimes, luckily this one held us all together!

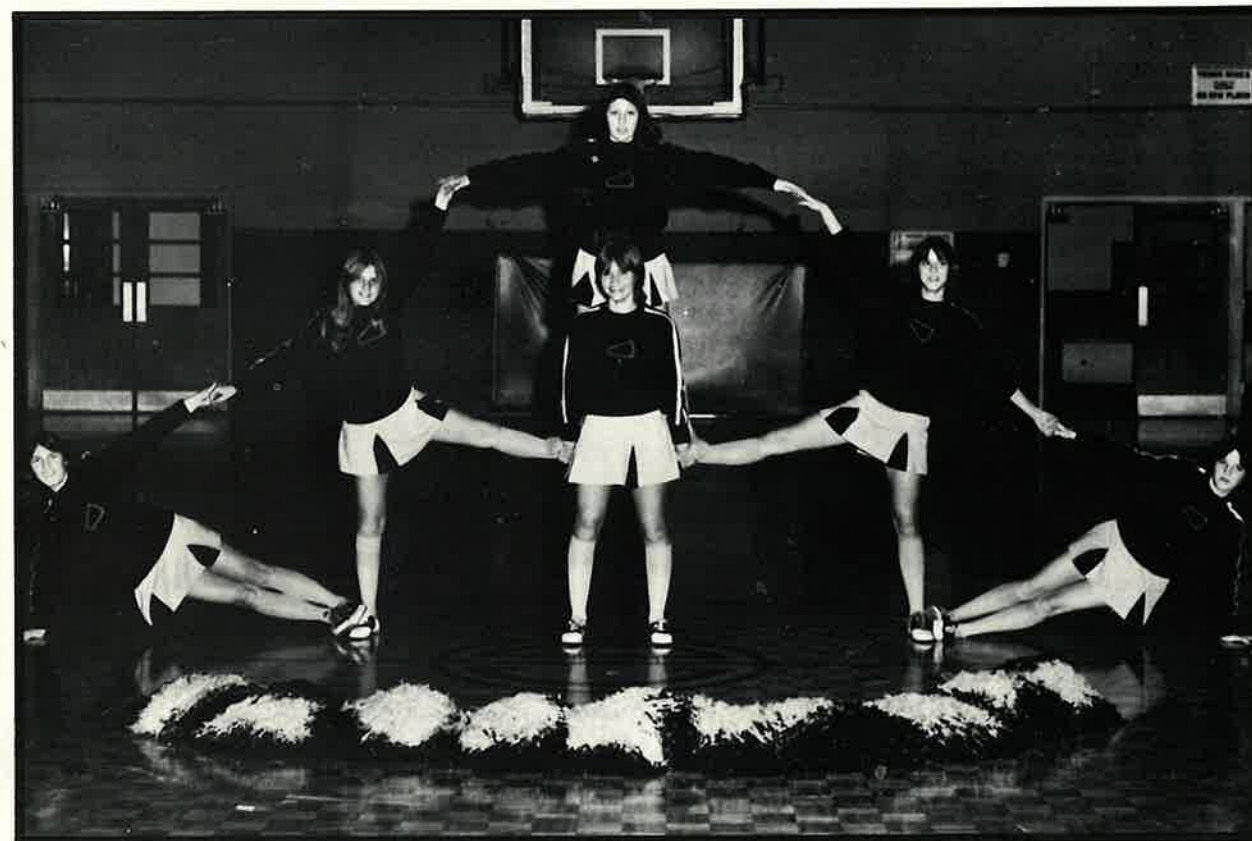

During the summer, the Varsity Cheerleaders went to camp at Tennessee Tech where they learned new cheers, jumps, and stunts. This was a new experience for the cheerleaders and they enjoyed every minute of it! Their first impression when they returned home was; What will they think of us now?

B-TEAM CHEERLEADERS

Even though B-team cheerleaders are just starting out, it doesn't mean they can't yell! This year has been an exciting year for the new B-team cheerleaders. In fact, they were just as loud as the Varsity! Of course they were scared cheering at the ball-games, but the good ole-C-DHS fans helped them during this time! Next year they are looking forward to another season as Varsity Cheerleaders and will be more experienced with jumping, yelling, and doing their thing!

Pictured above (left to right) are: Beverly Miller, Jennifer Tweed, Janice Thornburg, and (center) Darlene Ramsey, Kathy Showman, and Mary Bowers.

Our B-team Cheerleaders meant a lot to us and when asked how they felt after being elected, we got these answers:

- Darlene Ramsey: "I was just excited!"
- Janice Thornburg: "I was excited and couldn't wait for it!"
- Mary Bowers: "I felt like my dream had come true!"
- Kathy Showman: "I was just excited and that's it!"
- Beverly Miller: "I was too happy to even talk!"
- Jennifer Tweed: "I couldn't believe it had happened!"

The 1977-78 Football team showed grit and determination all through the football season.

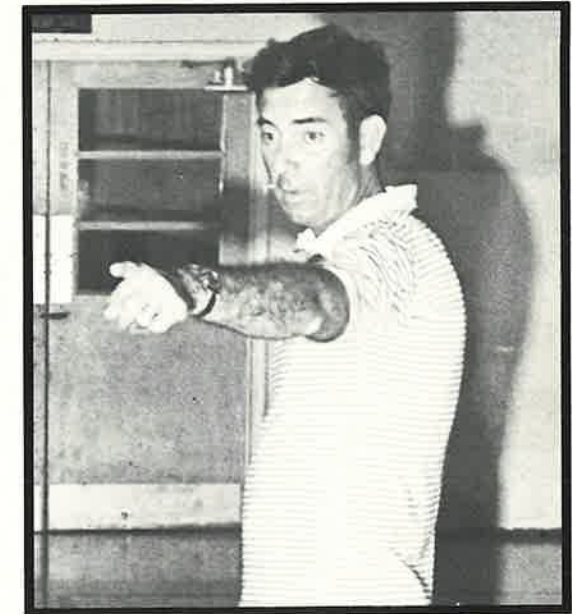

B-TEAM AT C-D

Chuckey-Doak's Junior Varsity will someday build up and who knows they could make us NO. 1! Of course that means a lot of running, getting mad at the coach, sweating, just to win that good ole ballgame!

But who cares? That Big Mac, large order of fries, large root beer, and that good apple pie sure does taste good after that good ole ballgame!

Coach Maupin has made it a great year for the B-team even though he has made it rough on the players as well as the waterboy!

But hang in there boys! Someday, you may make it to that number-1!

The Chuckey-Doak B-team is pictured left to right: Russell Taylor, John Love, Ricky Bolton, Brian Krase, Jeff Miller, Danny Bowers, Doug Treadway, Alan Hartman, Jimmy Schuettler, Kevin White, and Jimmy Lane.

The Managers are Mark Campbell and Mark Brown.

There were two players however that decided to get ready for Coach Kilday's rough stuff, so they joined the Varsity. They were: Doug Treadway and Ricky Bolton.

Tim Stroud, Sr.:
"This one's going in nice-n-easy!"

Bobby Morrison, Sr.:
"Now just tell me how you're gonna get around me, ha, ha!"

Nathan Malone, Jr.:
"I wonder how high I'll go when I jump. I'm not used to Mr. Kilday's jumping methods!"

Ricky Bolton, you're supposed to shoot with your mouth shut!

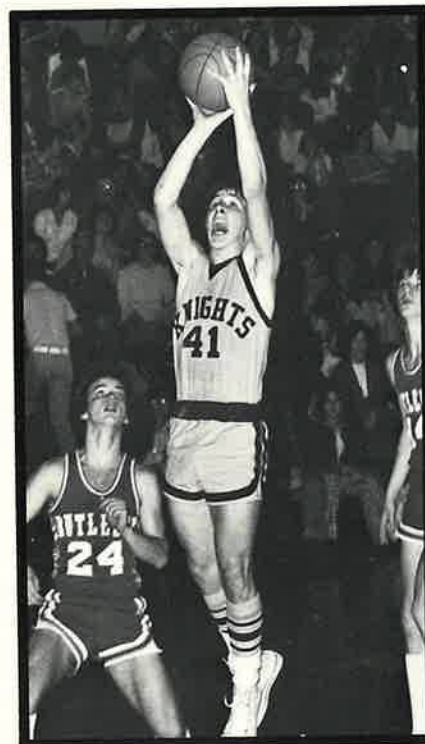

Tim Duncan, Jr.:
"I know that if the other boys can strip the net, I know I can too!"

Richard Baskette, Jr.:
"Kilday said to smile and make 'em wonder what you're up to!"

ACTION, ACTION

I may be short but I do know one thing, I can jump!

... Stroud, don't look so down; we're just 20 behind now!

... now boys, you know how to win the game, so get to it!

... Baskette, I guess 100 laps will do you in after that dumb pass you just gave to Malone.

... poor Clark can bring the towels in faster than you boys out there playing tonight!

WE WANT ACTION!

Even though the Varsity Boys ended the season with a disappointing record, the final score did not always indicate the true facts. Many of the games were very close, sometimes even going into overtime.

The team and coaches never gave up in spite of seemingly insurmountable odds. We feel that the team has had a good rebuilding year and we are looking forward to big things next year.

PRACTICE MAKES

- ... Terry, this basketball will self-destruct in 5 seconds, so throw it!
- ... Judy, even though you are a forward, show that guard that **you're** the guard this time!
- ... Hey, girls, who ripped off that basketball anyhow?
- ... Lynna, there's no use jumping for the ball, it just vanished into thin air!

P-E-R-F-E-C-T!

... the way Lynna Rader shoots that basketball, sure is enough to make the guard jump 50 feet off the floor!
The team huddles close together to get instructions from their coach, Mr. Ray Maupin. In the huddle a lot of things go on like reaching for that good water bottle, getting tips from the coach, and grabbing towels!

Hey wait a minute; there's too many hands for that basketball; don't you think so?

A million tomorrows
shall all pass away, lest I
forget the joys that are
mine today.

This has been a year of unusual happenings — a devastating flood, heavy snowfall, rising costs, the energy crisis, the deaths of Elvis Presley, Bing Crosby, Guy Lombardo, Hubert Humphrey, and Charlie Chaplain, the Panama Canal dispute, and the Arab-Israeli conflict.

It was also a year of progress at Chuckey-Doak — enrollment of 520, a new buffet serving line, bleachers for the football field, formation of the Explorers Club, our first art class, mini-courses, and an exchange student from Chile.

Greenville Light and Power System encourages each person to do his share to combat the energy shortages we are now facing. Please do your part. Use Electricity Wisely!
