DEDICATION

Dayton Shelton

In deep appreciation for his devotion, not only to the Greene County school system, but also to the sports program at Chuckey-Doak, we dedicate the 1979 ACCOLADE to DAYTON SHELTON. For the past twenty-eight years he has driven a bus full of screaming children over long, bumpy roads to and from school. During the basketball season, after completing regular rounds, he is on hand to drive the athletes on their road trips, usually returning very late at night.

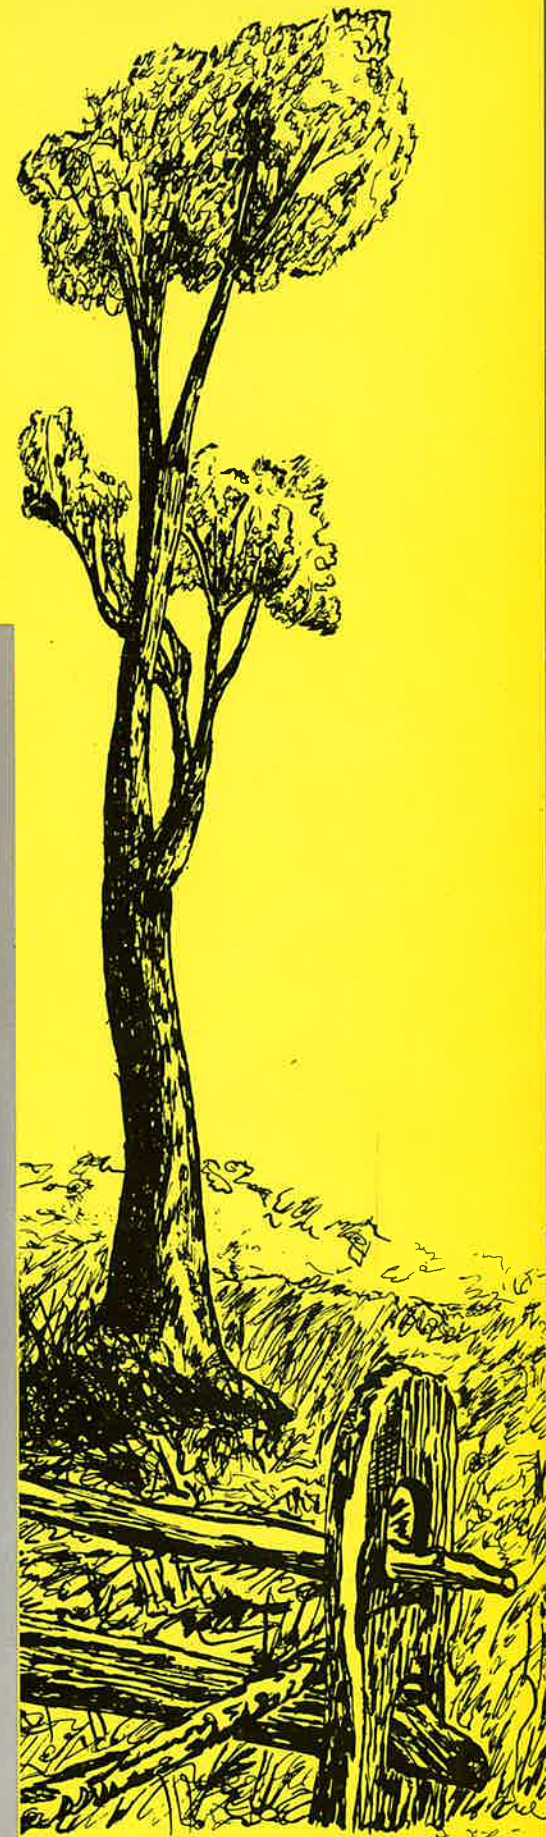

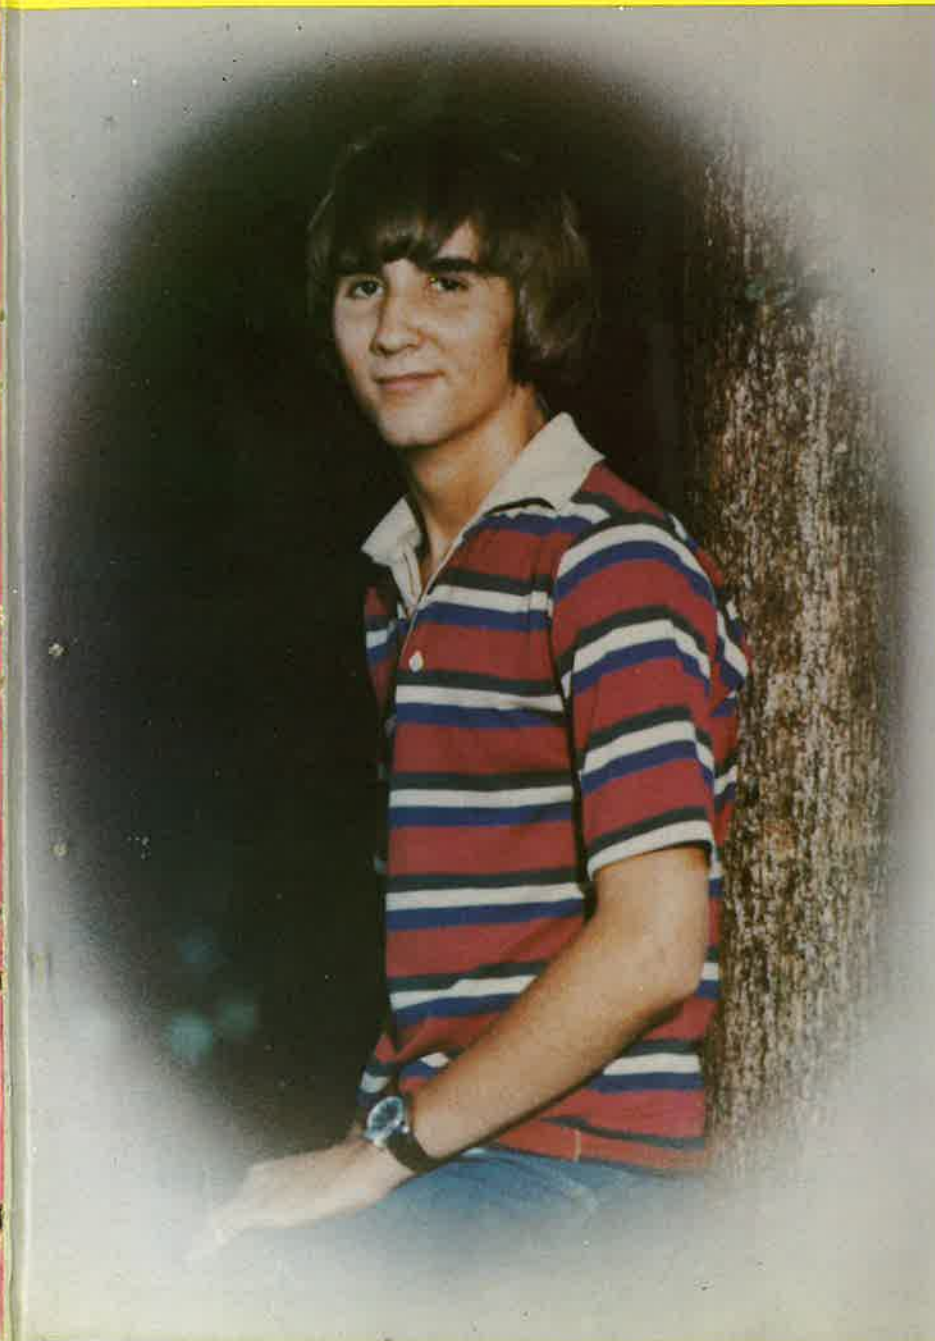

As if this were not dedication enough, when he is not driving the bus, he can be seen regularly along the sidelines at home games supporting the team. His ready smile, his gentle way, and his devotion to our school have endeared him to hundreds of students who have known him these many years. May God bless him always.

In Memory of FRANKIE SELLERS 1960-1978

All mankind is of one author, and is one volume; when one man dies, one chapter is not torn out of the book, but translated into a better language; and every chapter must be so translated. God employs several translators; some pieces are translated by age, some by sickness, some by war, some by justice; but God's hand is in every translation, and his hand shall bind up all our scattered leaves again for that library where every book shall lie open to one another.

—John Donne

TWENTY BLACK AND GOLDEN YEARS

On November 5, 1959, the first group of high school students moved into the new high school, Chuckey Doak. That was twenty years ago and each class has made changes and contributed to our school in some way.

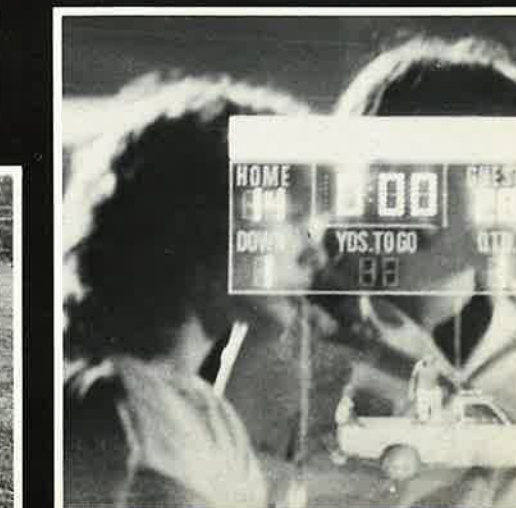

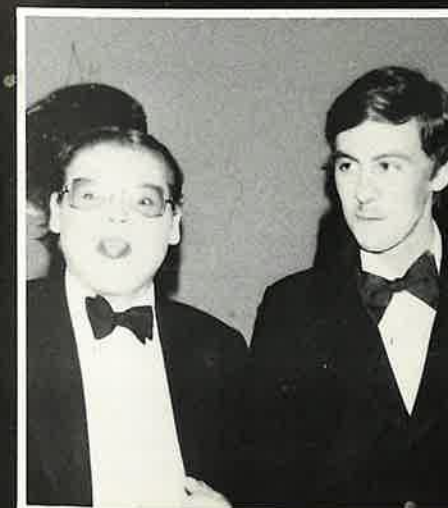

The first graduating class of CDHS chose our school colors, black and gold, and our school mascot, the Black Knight.

Our first Junior-Senior Prom was held at the Round Table Restaurant. Others have been held in the school's gymnasium, at Link Hills Country Club, and in the Tusculum College Cafeteria.

In the 60's, smoking was allowed for the boys, but not until the early 70's were girls permitted to smoke at school.

There have been several changes in fashions. In '65, girls were wearing cat-eye glasses, and boys were wearing square glasses. Today's glasses are big, round, have initials printed on them, and are all different colors. Dresses have gone from long to short to long again. School clothes are much more casual than they were in the early '60s. Pants for girls were not permitted until the early '70s. Hairstyles have evolved from the greasies to the blow dry styles.

The building is much as it was in 1959 with the exception of some added out buildings: two portable class rooms, two shop buildings, and, of course, the vocational school which opened in the fall of 1973.

We're Not Getting Older — We're Getting Better

Chuckey-Doak students of 1979 boast the largest enrollment of the school's history. We're going places and formulating new ideas through interaction with others. Perhaps this interaction is best expressed through pictures. We have captured a moment in the lives of a few of our students on these two pages.

Chuckey- Doak's Second Generation

Carolyn Collins was a member of the first graduating class of Chuckey-Doak High School. Twenty years after Carolyn's graduation, her daughter, Lynna Radar, is a member of the 1979 graduating class. Lynna is the first descendant of a C-D alumnus to graduate from our school.

Mr. C-DHS

Jackie likes all kinds of sports. He plays several different musical instruments and sings all types of music. He has won a number of awards in VICA and serves as state president. He is Youth Program Counselor for the southeastern United States under the direction of the U.S. Navy.

Jackie is employed at Food City on the Snapps Ferry Road. His future plans are to attend Vanderbilt in Nashville and to major in law.

Miss C-DHS

Lynna enjoys all sports, dancing, music, and collecting golf balls. She has played basketball and golf for four years at Chuckey-Doak and has received a number of awards in both sports.

Lynna is presently employed at Twin Creeks Golf Course. Her future plans are to attend college and major in physical education.

Boys' and Girls' State

Nathan Malone
Janice Williamson

The representatives for Girls' and Boys' State are chosen by the faculty on the basis of leadership, grades, personality and honesty. The purpose of these American Legion sponsored activities is to better acquaint the participants with state government and to promote good citizenship.

Boys' State was held on the Tennessee Tech campus in Cookeville where delegates campaigned for office on the city, county, and state levels. Each city works hard in drills, sports, tests, marching, and room inspections. At the end Nathan was elected state representative, and his city took first place in marching drills.

Janice attended Girls' State at MTST in Middleboro. She participated in fast song competition, talent show, field day, and a variety of other activities. Delegates were tested on what they had learned during the preceding week. Distinguished people, such as the Governor, the Mayor, and the delegation, were present. It was a very enjoyable and instructive experience.

In the late 1950's, it became apparent that Chuckey and Doak High Schools needed more room. The county board of education decided to construct a new building and consolidate the two schools. A site was chosen in Afton and the contract was signed in 1958. It was agreed that the new school would be called Chuckey-Doak High School. The students boarded buses and moved into the new building on November 5, 1959.

Many changes have been made on the campus to accommodate the ever-increasing enrollment, faculty, and curriculum. Additions include distributive education and special learning portable classrooms, an agriculture building, two tennis courts, and a baseball and a football field. In 1973, the annexation of the Greeneville-Greene County Vocational School greatly broadened class offerings.

Below is listed the enrollment and the number of graduates for each year of the past twenty years.

Faculty

Chucky-Doak, though not a large school, has grown considerably over the past twenty years. In its beginning in 1959 there were only eleven teachers and one principal.

During these twenty years there has been a total of eighty two different teachers, two of whom still remain with us. To these two teachers, Mrs. Joe Anne Lintz and Mrs. Mildred Masengill, we would like to pay tribute on our 20th Anniversary.

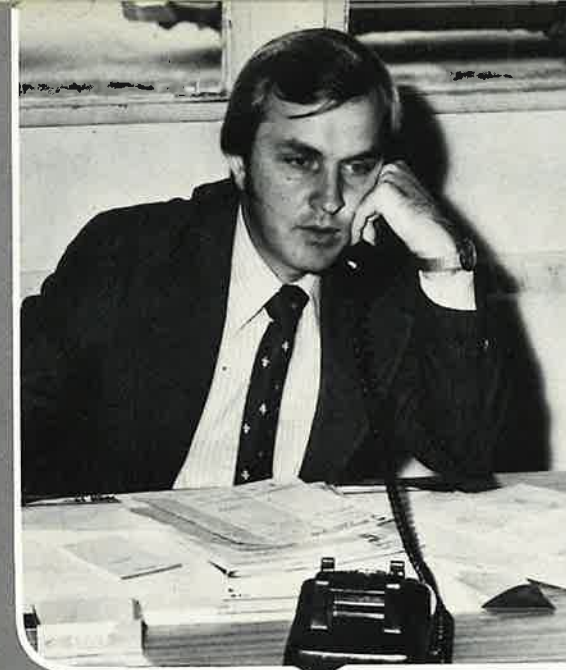

Joe Anne Lintz

Mildred Masengill

Wade McCamey first came to C-D in 1969 and taught Geography until 1972. In the fall of 1972 he became principal and served until 1973, when he left to pursue his doctorate. In 1976 he returned to C-D where he is presently serving as Principal.

Joe Anne Lintz came to C-D with the first class in 1959. She has been the librarian here for twenty years.

Louise Wilhoit is one of the new additions to our staff. This is her first year as secretary.

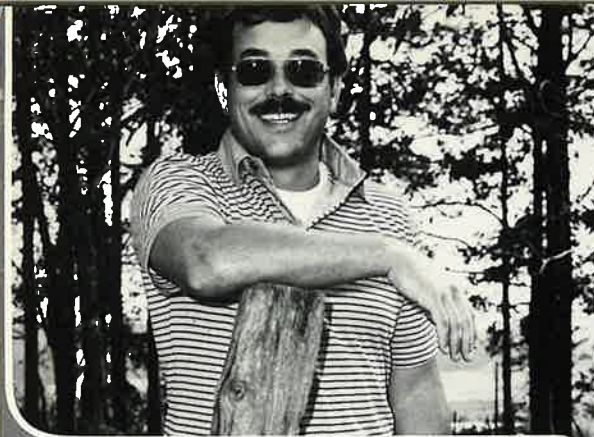

Karen Wisecarver has been Guidance Counselor at C-D since 1976. She is greatly depended upon for various counseling services and is sponsor of the Rotary Round Robin. This year she has implemented a college orientation workshop for seniors planning to go to college.

Mildred Masengill has also been at C-D since 1959. She is currently teaching General Science, Chemistry, and Spanish.

William Huffman joined the faculty in 1969 and taught Biology until 1974. In the fall of 1974 he became the assistant principal and still serves in that position.

Randy McIntyre began as head football coach at C-D in 1977. He coaches football and is also teaching Psychology, Sociology, World Geography, Drivers' Ed. and Boys' P.E.

Brenda Jones is also in her first year, teaching Distributive Education I and II.

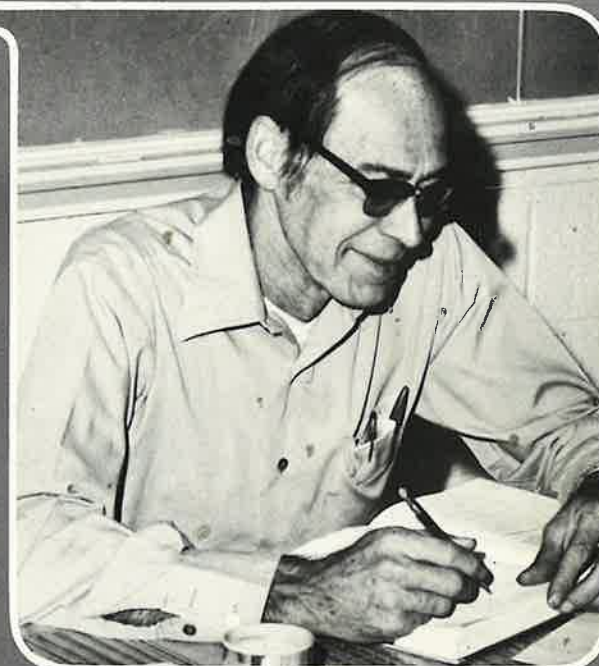

Donna McCamey joined the business department in 1973. She is teaching Typing I and II, and Shorthand.

Karen Armstrong is one of the new additions to the C-D staff. Her responsibilities include providing special services to handicapped students.

Glenn Maupin has coached basketball three different times at C-D: 1962-1963, 1970-1971, and 1976 to the present. He coaches the Girls' and the B-team Boys' basketball, teaches P.E., Drivers' Ed., and assists in the football program.

Truman Crumm first taught at C-D in 1970 and 1971. He returned in 1974 and is currently teaching Alg. I and II, Geometry, and Senior Math.

Jerry Holt became the first tennis coach in 1973. He also teaches General Math.

Teresa Broyles joined the C-D staff in 1973 and has taught American History, Sociology, World Geography, World History, and American Government. She is presently teaching American History.

Trixie Clark has taught English I since 1968 and is co-sponsor of the Beta Club.

Mary Bowman was our secretary in 1964. She began teaching in 1971 and is now teaching Economics, Bookkeeping, and Consumer Math.

Norman Mitchell has been at C-D since 1970 teaching Ag. III and IV. He is also sponsor of the C-D chapter of FFA.

Glenna Kramer is in her first year of teaching. She teaches sophomore English.

Doris Lowery joined the C-D staff in 1971 as the senior English teacher. She is presently teaching Junior and Senior English electives and serves as advisor to the year-book staff.

Jerry Love first appeared at C-D as a teacher in 1977 and teaches Ag. I and Ag II.

David Hamilton is one of the three students from ETSU to do their practice teaching at C-D. He did his student teaching in American History and Sociology and assisted the football coaches.

David Walters, another student teacher featured in the Accolade, taught Health and Physical Education.

Mary Louise Hunt came to C-D in 1968 as a Reading teacher. She is now teaching Junior and Senior English electives and advises the Charger Staff.

Margaret Felton has been teaching Home Economics since 1969 and is sponsor of FHA.

Jim Brown came to C-D in 1975. He teaches Biology II, Health, coaches the baseball team, and is assistant football coach.

Teresa Marshall is in her sixth year at C-D, having begun in 1973. She is presently teaching Biology I.

Jack Kilday coached basketball from 1964 to 1970. He returned in 1973, after an interlude as an elementary coach, and taught Drivers' Ed., Health, and coached boys' and girls' basketball. He is currently head coach of the Boys' Varsity and Athletic Director.

Debra Paxton Hughes, also a student teacher, taught Biology I and General Science.

Rebecca Erwin came to C-D in 1977 as the girls' P.E. teacher. She teaches Health, Drivers' Ed., and Girls' P.E.

Sam and Viva Kate Malone have been our custodians since 1973. They have been responsible for keeping the building and grounds in neat order.

The Cafeteria Staff at C-D is composed of four cooks. Brenda Austin (above) has been here since 1975. Juanita Kirk has been a cook since 1975, and Betty Williamson and Brenda Morelock have been here since 1976.

ORGANIZATIONS

C L U B S

ASSOCIATIONS

Since 1959, when C-D students first moved into the building, clubs have played an important role in our daily routine. We often take them for granted but without clubs and organizations, life would be pretty dull.

MINI HISTORY

The following clubs were organized the first year and are still active organizations at C-D today:

- 4-H
- Charger Staff
- FBLA
- FFA
- FHA
- Beta
- C-D

Three clubs which were among those at CDHS in 1959 but which are no longer active are Mathematics, Physics, and Library. In 1961, the Science and Math Club took the place of the Physics and Mathematics Clubs.

In 1963 the Bible Club and the Interact Club were organized and in 1976 the Outdoor Club was introduced.

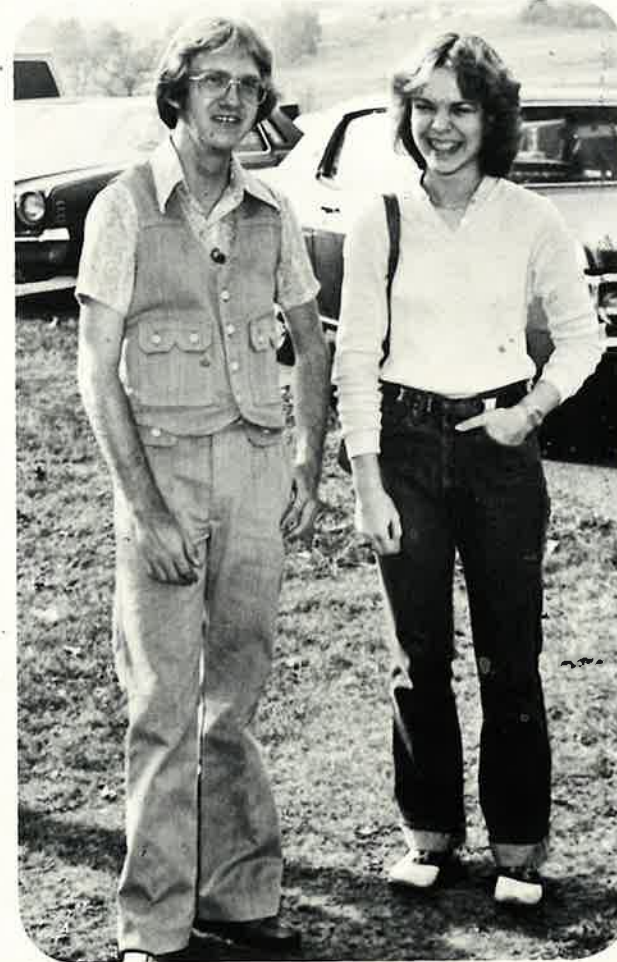

1977 brought two changes to C-D. A Youth Advisory Council was formed, and the Student Leadership Council consisted entirely of girls.

The new arrival at C-D in 1978 is the Photography Club.

STUDENT LEADERSHIP COUNCIL

We, the representatives of Chuckey-Doak High School, in order to promote good citizenship, to encourage high standards of conduct, leadership, honesty, courtesy, and cooperation between faculty and students, and to increase the respect for democratic form of government, do ordain and establish this constitution for the Student Leadership Council of Chuckey-Doak High School.

Sound familiar? This is the preamble to the Student Leadership Council's constitution. It sums up the council's purposes and goals.

C-D's 1978-79 Student Council is made up of the president and vice-president from each class and a representative from each club.

The Council's first activity of the year was to participate in Senior Citizens' Days. Council members, along with other members of the student body, acted as hosts and guides to a group of senior citizens who spent the day at Chuckey-Doak.

A few of the council's other activities are:

To raise and lower the flag each day,

To plan and conduct student body assemblies and special events.

To plan and assist in homecoming activities.

C-D CLUB

The C-D Club is an elite organization at Chuckey-Doak. It is made up of the athletes who have played a sufficient number of quarters, innings, etc., to letter in one of the five sports or cheerleading.

To receive a school letter an athlete must either:

- (1) play 28 quarters in boys' or girls' varsity basketball and complete the year.
- (2) play 21 innings in baseball.
- (3) play 10 matches in tennis.
- (4) be one of the six top golfers competing in matches.
- (5) cheer one year for varsity football and basketball.
- (6) play 16 quarters in B-team or varsity football.
- (7) serve outstandingly in football, basketball, or baseball as manager.

DECA

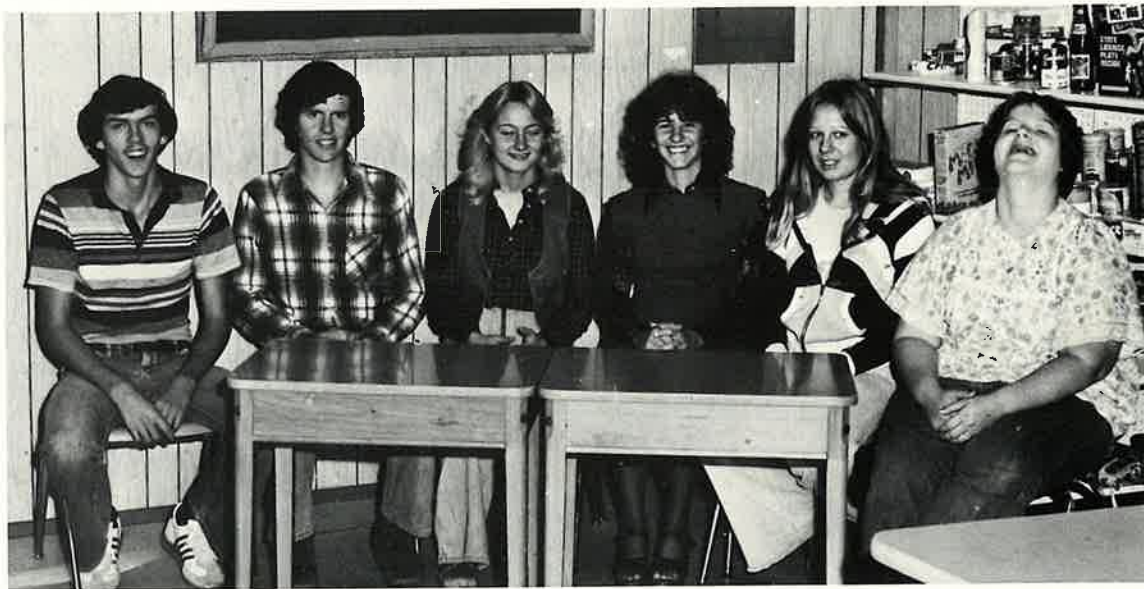

The Distributive Education Club is a popular organization at Chuckey-Doak. The club promotes business and distribution education. Any student who is taking a DE course is eligible to join DECA.

One of DECA's main activities is the operation of the School Bookstore. Junior members learn, first hand, about running a business while providing school supplies for students. A few of the 1978-79 activities include:

1. A breakfast for all DECA members during Distributive Education Week.
2. A trip to Gatlinburg to study the tourist trade.
3. Selection of an "Employee of the Month" at each club meeting on the basis of hours worked and money earned.
4. Sending representatives to both the Regional and State Deca Conventions.

YOUTH ADVISORY COUNCIL

The Youth Advisory Council was first organized at Chuckey-Doak in 1977. It is the first council of its kind in Greene County. Its purpose is to improve the school lunch program by interaction with students, faculty and cafeteria workers. The president along with four representatives from each class, YAC chairman — Rex Arrington, C-D principal Wade McCamey, and Brenda Austin, the cafeteria manager, make up the YAC organization.

At each meeting, members report any comments, both positive and negative, which they have heard concerning the lunch program. YACs then brainstorm for solutions to problems and improvements in the school lunch.

One of the YACs projects this year was to rent a jukebox for the cafeteria. All profits made from the jukebox go into the funds for improving our lunch program.

Chairman: Rex Arrington
Cafeteria Manager: Brenda Austin

4-H CLUB

President — Becky Davis
Vice-President — LuAnn Hunt
Secretary — Sharon Malone
Reporter — Mark Campbell

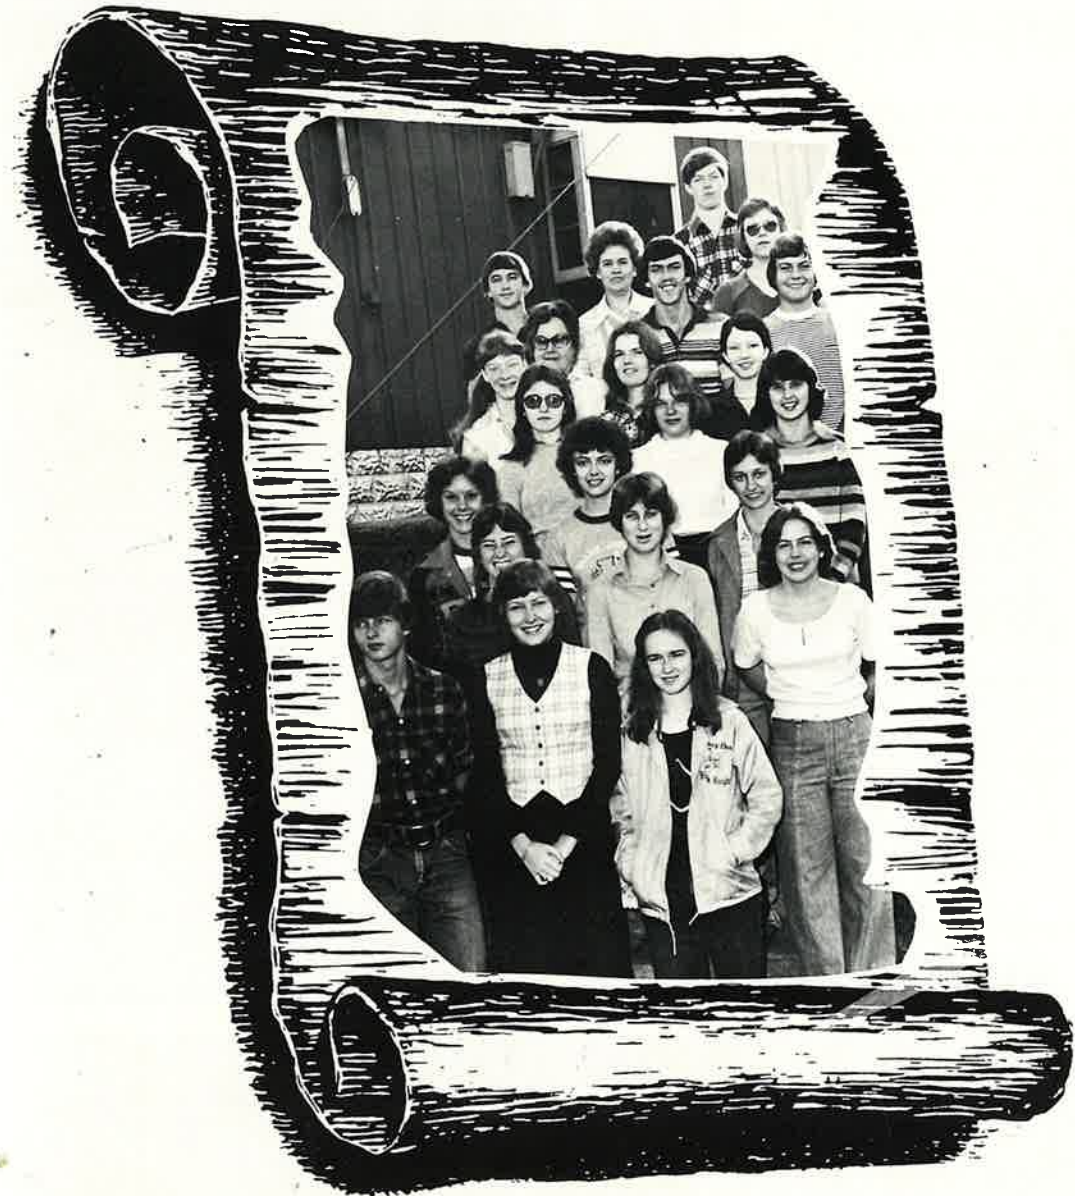

The Chuckey-Doak 4-H Club began an active year in 1978. 4-H members participated in an after election clean-up project by collecting campaign posters in their communities and around the school (bottom right picture).

A few of the club's other activities are:

- (1) participation in speech, poster and talent contests.
- (2) improving our environment by conducting Community Pride activities such as the clean-up project.
- (3) keeping records of project work in such areas as arts and crafts, electricity, dairying, and nutrition.

BETA CLUB

The Beta Club has always been one of the most outstanding clubs at Chuckey-Doak. The 1978-79 club has continued in this tradition.

This year, the Beta Club members showed character through participation in community projects, such as visiting with the patients at a nearby nursing home.

Beta members developed their leadership qualities by serving as club and class officers.

The Beta Club encouraged achievements in academic grades, sports, and community services.

To be eligible for membership in the Beta Club a student must have completed the ninth grade, sustained a grade point average of 3.4 or above for the previous year, and be actively involved in organizations within the school.

FUTURE HOMEMAKERS OF AMERICA

The Chuckey-Doak chapter of the Future Homemakers of America is one of the largest and most active clubs at C-D. Any student who has taken or is presently taking a home economics course may join FHA. Among their '78-79 activities were:

1. Contributed profit made from bake sale to the Life Care Center (to buy newspapers for patients).
2. Served refreshments and acted as hostesses for the Fall sub-regional meeting. (top picture)

The Chuckey-Doak chapter of the Future Farmers of America is made up of students who are presently taking an agriculture class and are interested in farming and agriculture-related careers. Their 1978-79 officers are:

President — Mark Campbell
Vice-president — Dan Hayes
Secretary — Jo Ann Dunn
Treasurer — Keith Ball
Sentinel — Randy Malone
Parliamentarian — Joe Cannon

A few of the FFA activities this year were:

1. Giving a presentation of parliamentary procedure for the parents at a monthly PTSA meeting.
2. Held FFA Initiation Day (see picture at left) for new members.
3. Held a Christmas Social along with FHA members.

FUTURE BUSINESS LEADERS OF AMERICA

The Chuckey-Doak Chapter of the FBLA elected the following officers for 1978-79:
President — Judy Steele
V. President — Pam Wilhoit
Secretary — Jennifer Williams
Treasurer — Christy Whitson
Parliamentarian — Lori Tipton
Reporter — Nina Blake

To become a member of FBLA, one must have taken or be currently taking a minimum of one business course.

The state FBLA Convention in Nashville is one of the organization's objectives for this year. At this convention, members will participate in business-oriented competition, such as contests in typing, shorthand and spelling.

The sponsors, Donna McCamey and Mary Bowman, work with the members to develop knowledge and leadership in the business world.

PHOTOGRAPHY CLUB

Melissa Chandler — Vice-President Phoebe Peterson — President Janice Williamson — Secretary

The Photography Club is a new arrival at C-D this year. Membership is open to all students who are interested in the photography field or who just like taking pictures. Some of their activities this year were:

A "Candid Camera Day" — on this day, everyone in the club brought their cameras to school and went around all day saying "Cheese".

The club had as a speaker a representative from Olan Mills to discuss photography techniques.

Photography Club Sponsor — Karen Wisecarver

CHUCKEY-DOAK ATHLETIC BOOSTER CLUB

The Chuckey-Doak Booster Club is made up of students, parents and citizens who are interested in supporting and improving athletics at C-D. The Booster Club has been known for its worthwhile contributions to Chuckey-Doak over the years. They take on the responsibility of operating the concession stand for all C-D football and basketball games. Also, the club sponsors the annual All-Sports Banquet each spring. At the banquet, the Booster Club presents plaques to the graduating athletes and cheerleaders.

This year, the C-D Booster Club has made two major contributions aside from those already mentioned: the purchase of TV and audio-visual equipment to be used during ball games and a bench press and leaper (weight-lifting machines).

SPORTS

FOOTBALL

Football is the newest sport at Chuckey-Doak. We have only played five seasons, and the scores have been disappointing at times, but after all, it does take awhile to establish a good football team. We've had three coaches in the past five years: (1) '74-'76, Coach Ward brought us through two rather encouraging seasons: 3-5 and 2-7. (2) '76-'77, Coach Riley came through with a good season — 5-5, (3) '77-'79, Coach Randy McIntyre brought us through two very exciting seasons: 1-9 and 2-8.

BASKETBALL

Since its beginning in 1959, the first organized sport at Chuckey-Doak has had an outstanding record. In 1965 our boys won 20 straight games with a better than 77 point average per game and were in the top ten statewide. In 1972 all three of the most valuable players came from Chuckey-Doak and our B-team was the tournament champs for the only time in our history. In 1974 Lloyd Rollins was chosen All-State. Pam Kilday was chosen All-State and Most Valuable Player in the All-Star game in 1976. These truly speak well of our teams, but the most notable achievements are our seasonal scores. Out of 19 seasons, 14 have been winners for the girls. The teams combined have played 13 times in the District, won three times, and placed in the Regional 6 times. We've also entered Sub-State 2 times. All in all, not a bad record.

TENNIS

In the 5 seasons since its beginning in 1974, boys' tennis, coached by Jerry Holt, has had a record of 3-5. Chuckey-Doak tennis players who have gone on to play college tennis are David Walters, Janie Jaynes, and Charles Bowman, who won a tennis scholarship to Walter's State Community College.

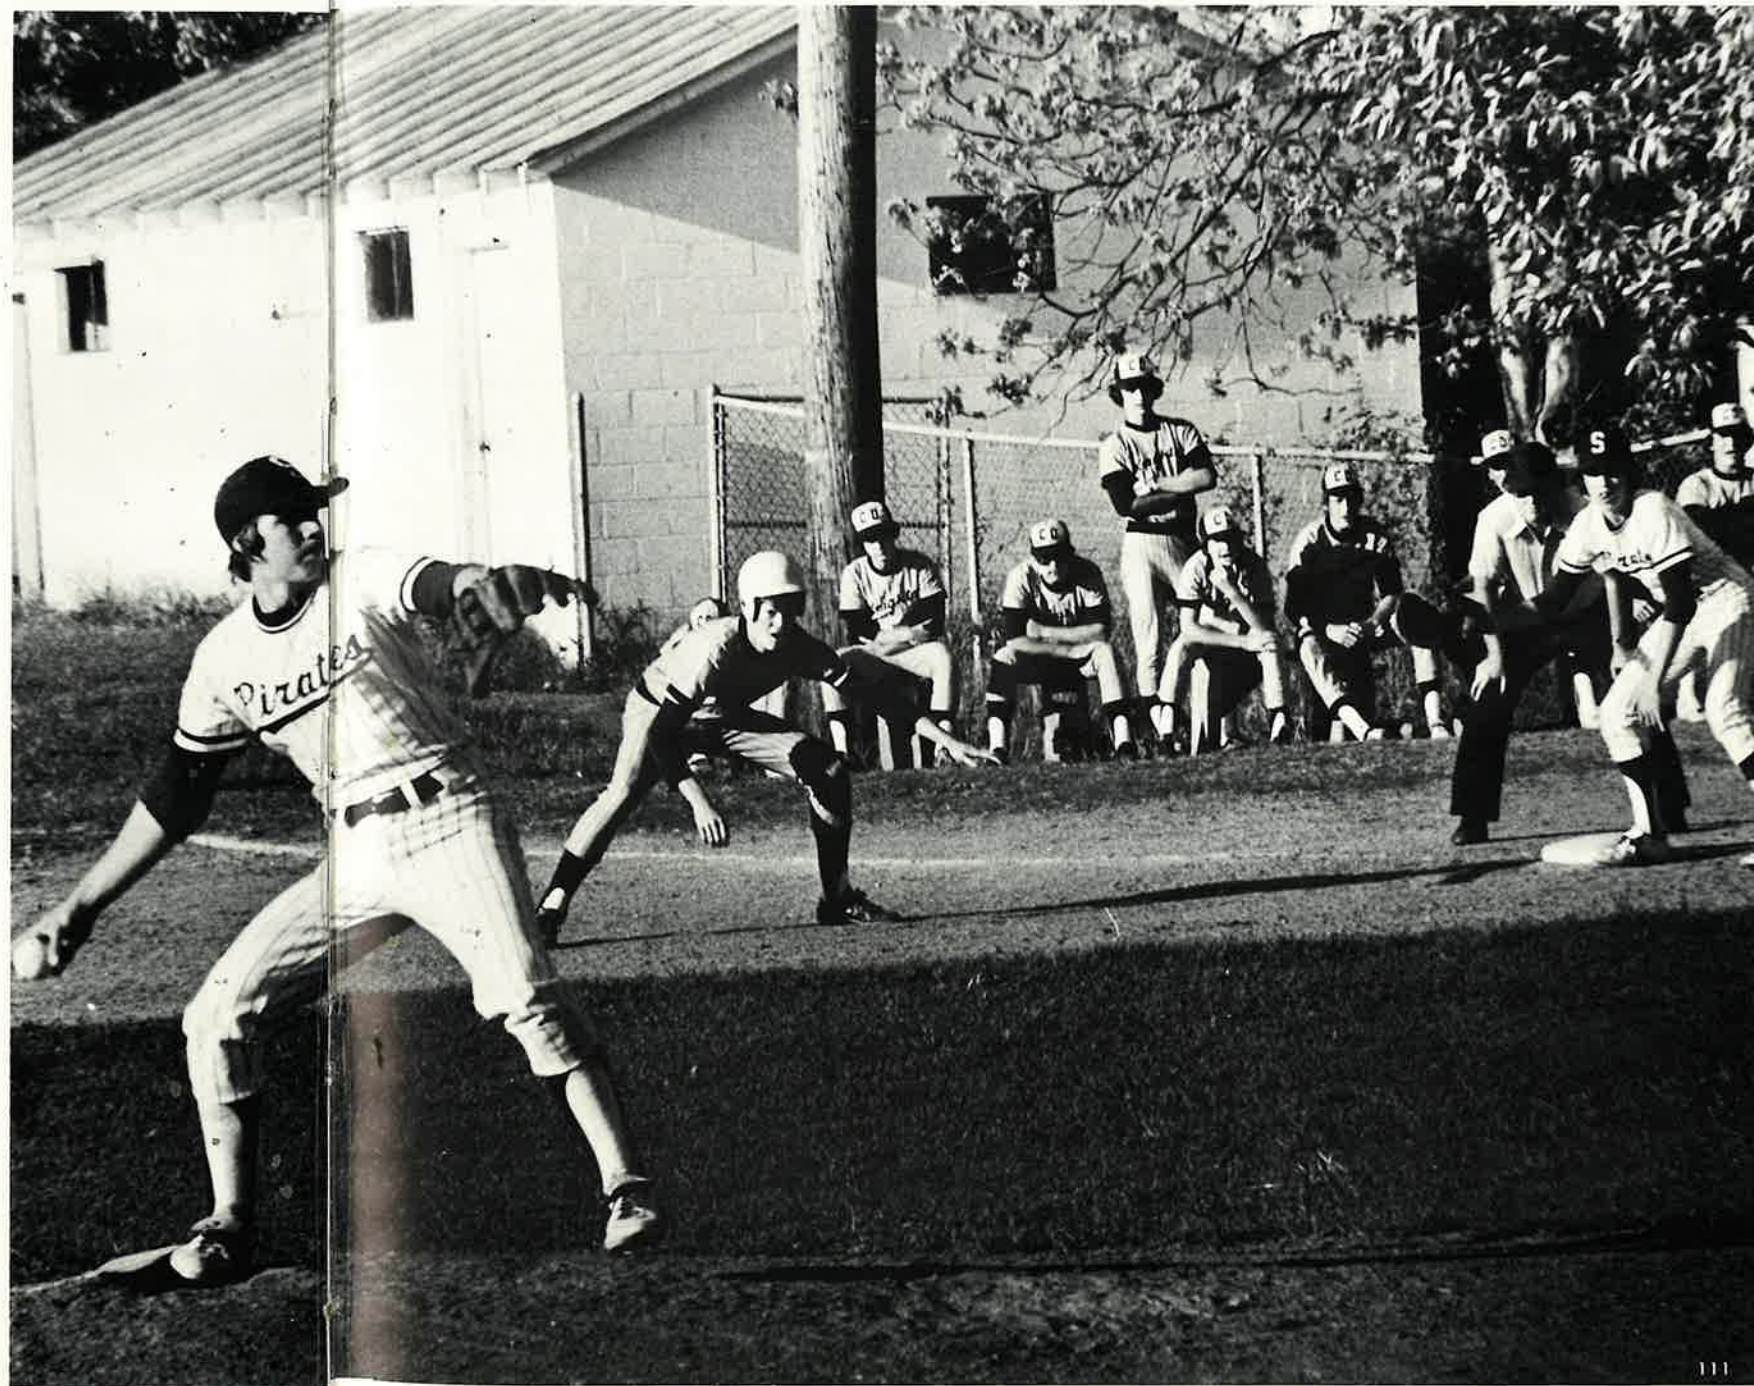

GOLF

Coached by Jack Kilday since its inception in 1974, golf has had three winning seasons out of five and has placed one player, Lynna Radar, fourth in the state finals.

BASEBALL

We've had four different coaches for baseball since its debut here in 1969. (1) Mr. John Waddle '69-'70, (2) Mr. Wallin '71-'72, (3) Assistant Principal, Mr. Bill Huffman, for 1973, and (4) Mr. Jim Brown, our present coach. Under his leadership, we have had 5 winning seasons, and we hope for yet another this year.

The Events

Due to the weather, "Homecoming Week" was only 4 days this year and was held over a span of two weeks. After each day's costume judging at 11:45, activities scheduled for that day were held in the gym from 12:00 to 12:45. Points were given to each class according to its finish in each event: First place 5 pts., second 3 pts., third 2 pts., and fourth 1 pt. At the end of Homecoming Week, the class with the most points accumulated from costume judging and other competitive events was named "Most School Spirited" and awarded a plaque. At the end of the first day, Twin Day, Seniors held first place with 28.5 pts., Freshmen were second with 25, Sophomores third with 22, and Juniors fourth with 6.5. After the second day, Golden Oldie Day, Sophomores held a strong and steady first with 44 pts.; Seniors were second with 34.5, Freshmen a close third with 31 and Juniors in last place with a "spirited" 10.5. After the third day, Kiddie Day, Sophomores were holding a not so steady first with 64 pts., Seniors a very shaky second with 56.5, Freshmen a strong third with 55 pts., and again, Juniors in last place with a low 23.5 pts. After the last day, Black and Gold Day, the Seniors won with a total of 74.5 pts.; Sophomores placed second with 74, Freshmen third with 57, and Juniors an expected last place with 57 pts.

The Games

In this year's Homecoming games the Varsity Girls came-up from as far as 11 points behind at one time to beat the Cosby Eaglettes 50-49 in double-overtime, and the Varsity Boys pressured the Eagles into 22 turn-overs to win 42-41 in regulation time. Both games were among the best played and most exciting all year and added the crowning touch to our Homecoming festivities.

FOOTBALL '78

Although the 1978 football season was disappointing when one looks only at the won-loss record, there were some bright spots and some fun along the way. The first three games of the season were encouraging. In the season opener with Unaka, the Knights came away with a 15-8 victory. Although they lost the second game to a strong Rutledge team they came back to win an easy one over North Greene 35-21.

However, from this point on things were rather bleak for the Black Knights. For the most part C-D appeared very strong in the first half but because of a lack of experienced players to give the sometimes battered players a period of rest, they were not able to hold out the second half. Injuries, penalties, bad calls, bad plays, rain and mud all played a part in dashing their hopes for the conference title.

Head Coach — Randy McIntyre

Ass't. Coach — David Hamilton

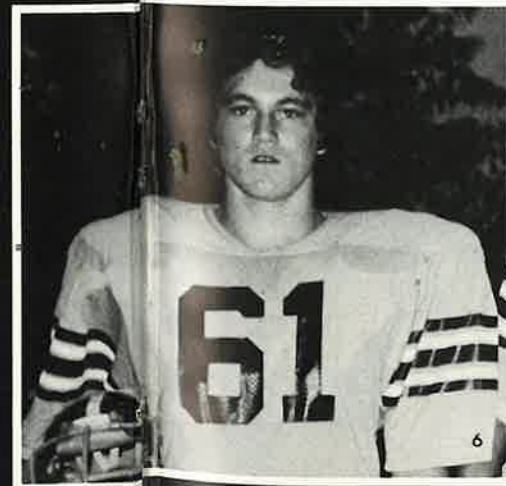

When speaking of pride, one must also mention the eight seniors who will be leaving C-D this year: Tom Bolton, Dereke Gosnell, Alan Jennings, Tommy King, Bill Lowery, Randy Masters, Larry Sybrant, and David Wilder. All of them did their best for team and school this year, and their efforts are appreciated.

SENIORS

1. Tom Bolton
2. Dereke Gosnell
3. Alan Jennings
4. Tommy King
5. Bill Lowery
6. Randy Masters
7. Larry Sybrant
8. David Wilder

Teams often make their best plays in the most unexpected moments. Typical of this is Larry Sybrant catching the "Hail Mary Pass" just as the clock runs out in the Mountain City game. There were other great moments to be sure, but the team seemed to appreciate the "Hail Mary Pass" more than any other. Below are four other outstanding moments depicting an important event in this year's football season.

VARSITY BOYS' BASKETBALL '78-'79

For the past nineteen years the C-D Black Knights have been regarded as one of the best all around basketball teams in the area, and this year's team carries on that proud tradition. The fitness program required by Coach Jack Kilday (at left) has increased the stamina and co-ordination of the team.

Below are listed the 1978-79 varsity Black Knights who have contributed to the enviable basketball reputation of Chuckey-Doak. At present, after 23 games, their record is 17 and 6. This season has been an exciting one for the team and the fans, and we're looking forward to a great tournament.

BASKETBALL

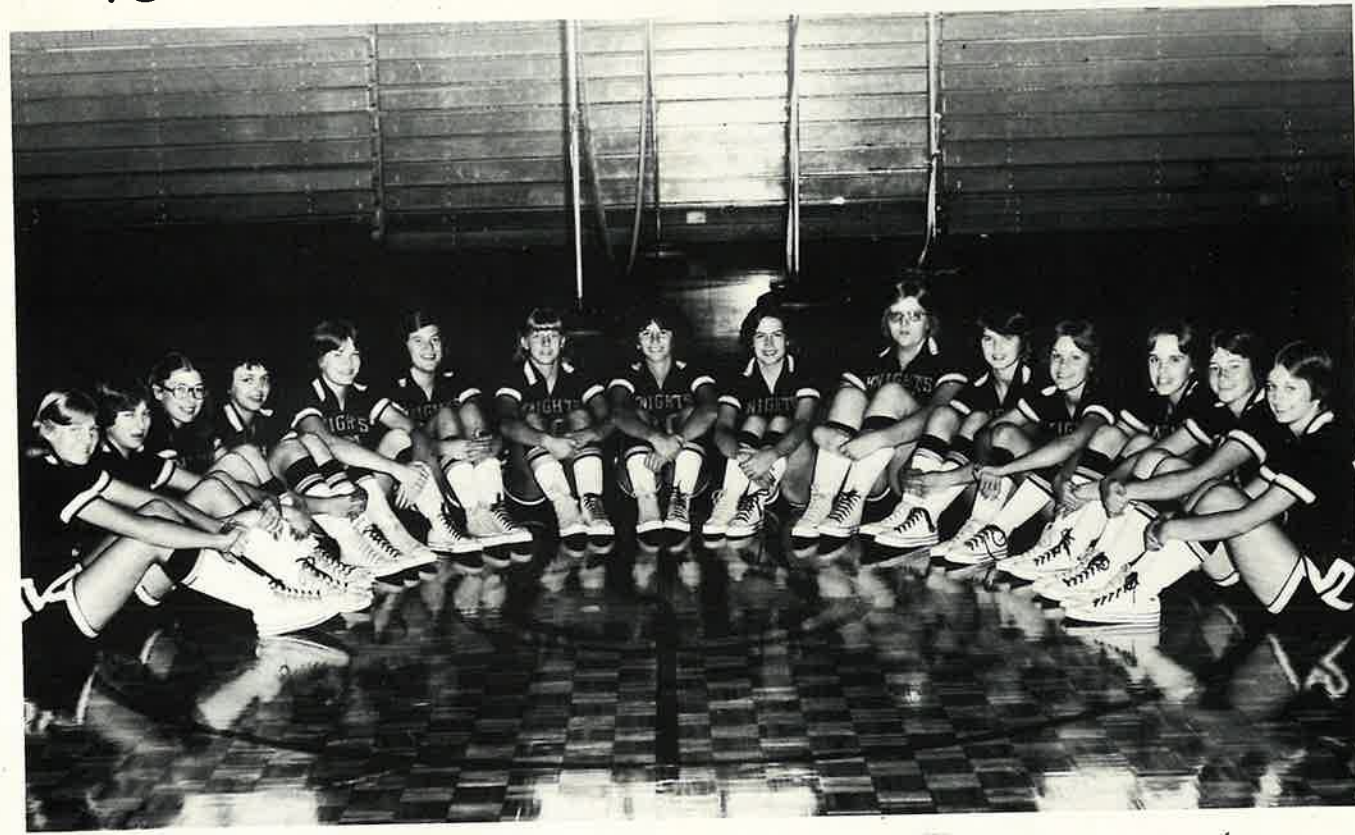

"B" TEAM

C-D's B-Team has had a very successful year in 1979. Being the future Varsity players, they have proved they do have what it takes to win in Varsity Competition in our future years. Playing 16 games they forged ahead to win 10 of them. They are to be congratulated upon their hard work and determination, and Coach Maupin is to be commended for his strong leadership.

This year's team has been one of the best ever; they're first in the district and first in the conference, with Homecoming making their twelfth straight victory. This season Beth Maupin is fourth county-wide in scoring; Lynna Radar is seventh, and Judy Bowers is twelfth.

1978-79 Varsity Cheerleaders

For the past few years the Varsity Cheerleaders have attended summer Cheerleading Camp, this year at Brevard, North Carolina, to learn new cheers and stunts. They've practiced and competed during four consecutive days for ribbons which are presented nightly, the most ribbons per squad being four. Our Varsity Cheerleaders attained that number exactly; four well earned ribbons.

The 1978-79 Varsity Black Knight Cheerleaders are among the hardest working that CDHS has ever had. Through cold, rainy football games and nearly empty gymnasiums, they've managed to keep school spirit alive and kicking. Though they work together constantly striving for a better cheerleading squad, they have fun along the way, and achieve a great many goals, including more pep rallies and greater participation at games. For their spirit throughout the year, we say thanks.

B-TEAM CHEERLEADERS

Kathy Huff; Cone Reynolds, Jackie Dingus, San Steele, Connie Aams, Lisa Morclock, Ann Willis, Sondra Armitag Kim Lewis, Jamie West, and Ken Bush.

All girls trying-out for B-team Cheerleading this year were accepted, which contributed to more spirit, bigger stunts, and louder cheers. In this case, more was better.
